

## Have You Seen It?

Get the Weeds

Have you seen or talked with your neighbors about the new International No. 4 Riding Cultivator, painted green and blue with steel pole?

Whether you are going to buy a cultivator or not, come in and look over this Cultivator. The designer was 5 years in perfecting this machine to make it the strongest, the most handy and the most simple cultivator on the market.

You can dodge the most crooked corn; hold it up a hillside at your will, and can follow a row of corn with the horses walking directly on it.

You have heard of this cultivator for it has created one of the greatest sensations of any machine that was ever offered the farmer.

If you want one, buy early.

### PLEASANT FLAT

Glad to see the Sunshine again after the week of cold and rainy weather. We thought last winter the old weather man got his wires crossed when he gave us summer in the winter, now he has given us winter in the summer. I petition for a change, we need someone who better understands his business. We have some apple trees and cherry trees that bloomed out again, now that it froze in on the rain water we suppose that will finish them.

Robert Inhoff lost a cow last week.

Rev. W. H. Moore preached at the Sharp Friday night, Saturday night, Sunday and Sunday night. Had a good meeting. He was pastor here two years and the people were glad to see him and his good wife. ### Dodson's Liver Tonic

Instead of Calomel

Calomel is quicksilver. It attacks the bowels and paralyzes the liver. Your dealer sells each bottle of pleasant, harmless "Dodson's Liver Tonic" under an ironclad, money-back guarantee that it will regulate the liver, stomach and bowels better than calomel, without sickening or salivating you—15 million bottles sold.

Clay Whitaker is very sick with measles.

Mr. Davis Ramsey has gone to have a cancer treated. He has a cancer on his lip and his general health is poor. We trust he may return home sound and well when he has been treated.

Mrs. Inhoff hatched 175 chickens from a 200 egg incubator, sold 100 and gave the rest to a capon. He gladly took the chicks, and in 24 hours was clucking and calling the same as a hen only in a more quiet way. He has such long fluffy feathers, he can hover so many more than a hen, and is not restless like an old hen. He has a long flowing tail and wears a large fluffy comb, and is a pretty sight to see him and his brood.

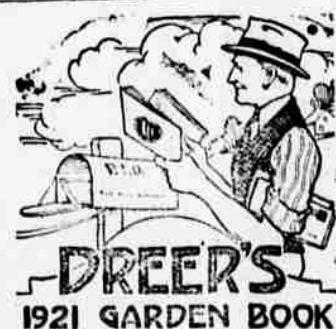

From the appearance it will rain soon again. If the farmers can have a few days of sunshine they will finish planting corn.

We are glad that the mother and child are doing well but you

### WORDS FROM HOME.

Statements That May be Investigated. Testimony of Mansfield Citizens

When a Mansfield citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Mansfield resident. No stronger proof of merit can be had.

W. S. Smith, Mansfield, says: "I had been subject to pains through my kidneys off and on for several years. Following my trade as carpenter and having a lot of stooping and heavy lifting to do, I blame for bringing on kidney trouble. My feet and hands swelled. It hurt me to lift the lightest weight and many a day I felt unfit for work on account of the soreness and lameness across my back. After using three boxes of Doan's Kidney Pills, I got over the trouble. I have had very little kidney complaint since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Smith had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv No. 52.
